Install UVC30-CP900-BYOD

The Yealink UVC30-CP900-BYOD Meeting Kit is suitable for focus and small rooms with 2-7 participants. Place the CP900 in the center of the table, ensuring it's up to 2m/6.5ft from each participant. Attach the BYOD box to the bottom or the top of the table.

For more details, refer to the [UVC30 Documentation](#).

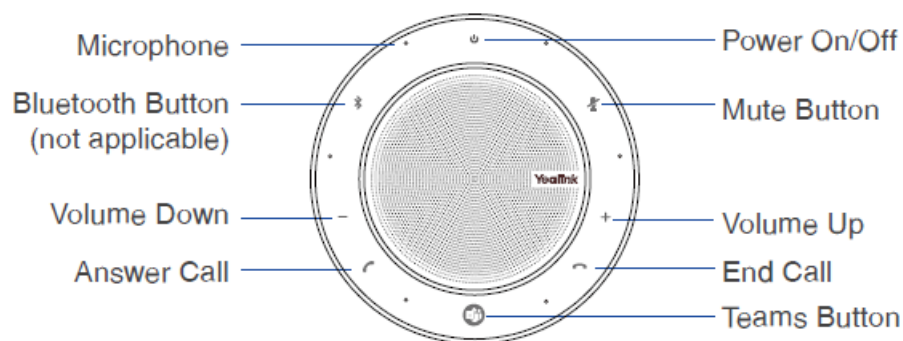

Connect UVC30-CP900-BYOD

CP900 Usage

The CP900 is compatible with Microsoft Teams, Skype for Business, Zoom, and other clients. After connecting, you can control calls using the CP900.

Feature	Action
Power on or off	Press and hold the Power button for 2 seconds.
Answer a call	Tap the Answer button.
End/reject a call	Tap the End button.

Volume up/down	Tap the + or - buttons.
Mute/unmute microphone	During a call, tap the Mute button. The mute LED indicator and LED light-ring glow red.
Hold a call	During a call, tap the Answer button. The LED light-ring flashes green.
Reset to factory	Press and hold the Answer and End buttons for 6 seconds.
Play/pause music	Tap the End button to pause music. Tap it again to resume playback.
